[REDACTED]

- Has testified before
- Discussed logistics of testifying
- Has been at FedEx for a year
- Processes subpoenas from law enforcement
- Title: senior paralegal
- Familiar with recordkeeping practices at FedEx
- Thinks the recordkeeping practices worked the same way in the early 2000s, just in a different system –will find out the system difference
- Will review information about how account information was created/kept in the early 2000s
- Our records – when verified for the Gov, had someone from IT verify the information in the GXs from the archive. FedEx had an archival copy
