Subject: 9/16/21 – Call with Cindy Hopkins
Date: Thursday, September 16, 2021 4:59:22 PM

Call with Cindy Hopkins:

[REDACTED]
SA [REDACTED]

Cindy has talked to Toni Salopec (sp?), the agency owner she worked with at the time. Toni would have kept the original transcript in her files, but she no longer has it because it is so old. Normally, Cindy would authenticate a transcript by comparison to the original one.

This one was videoed by Stan Sanders of Visual Evidence, however. Cindy could review the video and authenticate it that way. She will contact Stan and get back to us.
