- Found her external drive that contains the original transcript. It has the text file and the file in the "eclipse" format that she used as a court reporter. Eclipse translates her stenographic notes into English. She is sure that this is the original version.
- The version she has does not have the certification at the end. She called the ordering attorney, and they didn't have a certified one either. She has not contacted [REDACTED], who she understands represents the deponent.
- Cindy will send us the text file she has
