Reviewing the suitcases this morning there were (5) U.S. Passports for Epstein and (1) Republic of Austria Passport

- 1) US Passport 112783574 exp date 3/3/2005
- 2) US Passport exp date 4/14/1975 (could not locate passport #)
- 3) US Passport exp date 2/26/1995 (could not locate passport #)
- 4) US Passport 110179569 exp date 9/16/1989
- 5) US Passport (could not locate passport #) the expiration date was slightly worn as well but appears from the 80's

1) Republic of Austria Passport # 0376775. On this passport it lists Epstein's DOB as July 30 1954. His name is also Marius Robert Fortelni, with a listed residence of Saudia Arabia. Passport expired on May 21 1987.

In reference to the question you asked about the US Dept of Treasury Customs service badge. It appears to be more like a lapel pin or a novelty item. The credential wallet that it is in is much too big for this pin/badge. It does say that it is for a special agent. There were no credentials in the wallet.

I am attaching photos of the Republic of Austria passport and the Treasury Badge for your viewing.

Let me know if you need anything else.
