Subject: Return of Property Epstein

Good Morning [REDACTED] and Team,

Just wanted to give everyone notice that Epstein's suitcases and property was returned this morning as of 9:00am. The items were returned to a private investigator on behalf of Epstein's legal counsel that consulted with [REDACTED] last night on 08/01/2019

Frank Senerchia
[REDACTED]

I went through item by item on our receipt for property with Mr. Senerchia which he verified. I have a photo of his ID as well as photos of him signing our receipt for property forms.

[REDACTED] I'll knock out a 302 for you on Monday for today's task.

Have a good weekend
