

11/16/21

In massage room there were multiple bottles of astroglide lube, which she noticed in the search on the shelf, one half empty
walked in every room during search
noticed ~~MM~~ mannequin in white dress & veil hanging in staircase, looked like child bride

932 - upper levels of residence

909 front doors, not sure whether it's desk because early morning or next morning

933 entryway, what you see when you open that door

910 hallway, door in picture photos
main staircase, one of maybe 3 + elevator

911 (downway to church)

912 like a library / sitting room

would need to check to confirm the floor

913 appeared to be office on second floor
materials at desk - stationary / computer

take some photos seized from desk

915 spiral staircase, higher floor of the staircase

916 One of 2 tables of photos of celebrities

Clinton, Trump, Pope

other table - M. Dwyer, R. Brand, S. Hunkler

this is a different room, large table in it w/
tables against the wall

934 same room, ~~same~~ table

Doesn't recall whether there were pictures of celebrities elsewhere,

may have been in UE office, w/ the exception

of picture of Bill Clinton in a dress

901 - employee stairwell, photos like that on ~~upper~~ the
floors where you enter stairwell

908 same, different floor

905 one of many bedrooms that had young females
a leg w/ ballet shoe on it

There were four torsos

bronze & blue

2 white ones in a closet

(2)

902 mural w/ nude juveniles - not sure to check, since room was
in general, in the house there were lavish furnishings
generated tone of sexuality throughout house -
nude photo/paintings of young girls

937 bronze bust near bathroom in one of bathrooms
doesn't believe this bathroom was the one connected
to message room, which looked in use

930 one of photos throughout the house
by Walter T, it's at mid or upper level

931 another image in a bathroom

907 photo at message room

902 entrance to message room, ~~3rd~~ 3rd floor

903 entrance left

904 purple bottle is half empty bottle of astroglide
can see entryway to bathroom, dark tile

handcuffs, whip, astroglide

919/920 room @ 2nd floor, directly beside
message room, costumes

Search team moved through house w/ photographer
to photograph items in place as they were found
before KIM searched & logged it

was in the room when agents pulled this out of
drawer & layed them out to photograph

919 ~~920~~ same room, item in drawer
was in room when it was found

same room safe was in
bottom drawer step-step

2 handheld messagers

921 different room, bedroom

they would see some rooms where there were 3 pairs of glasses
in rooms that seemed frequented, incl. tv's one.

very structured

935 room to left of entry, office of Jatts, in cabinet
had drives that looked like extracted computers
it had evidence tape on .7

Metadata - 2002 metadata on when media was

EXAM created, would want to return it to

see what created date means photo was taken or

when photo was added to disk -

to determine when created / made / modified

often created date is when actual file is created, that

has been her personal experience of metadata

room w/ safe was like a changing room

closets in safe

Contents of safe

- returned by house manager

- search executed, safe opened, examined contents

but not authorized to see @ the, returned

w/ search warrant, safe empty, called

employees who returned w/ items,

they were the same
