This afternoon, [REDACTED], [REDACTED] and I spoke with [REDACTED]. He confirmed that he had spoken with his client, who reported that she was not involved in the negotiation of the non-prosecution agreement between Jeffrey Epstein and the USAO-SDFL. She was not aware at the time that the agreement had been negotiated or that her name was included in the document. She first learned about the NPA -- and first learned that her name was in the document -- when it was reported in the media.
