Subject: Call with Pat Pileggi re: Mar a Lago

- Pat hasn't found anyone who remembers [REDACTED]
- Janine Gill has worked at Mar-a-Lago for about 9 years. Doesn't know who prepared this record, doesn't know the source of information, and it does not appear to Gill that this record was created on a regular basis. It appears to have been randomly done.
- Pat will try to figure out if Gill had a predecessor who worked at Mar a Lago who has more information about the record
