Good Evening,

If possible, would two of you guys/gals be able to assist with interviewing [REDACTED]? If he does not wish to be interviewed informally a subpoena is attached. I am going to have [REDACTED] conduct an interview with [REDACTED] later in the evening for [REDACTED]. I am not sure of everyone's availability tomorrow, but I am out of TFO's to assist. Please let me know who can handle.

Attached is a subpoena and a TLO printout for [REDACTED]

Thank you for your assistance

Mandy & Paul,

Two quick things – first, we'd like to set up a meeting for this coming week with [REDACTED], who previously worked with Epstein, and possibly [REDACTED] as well. I don't believe they were underage victims of Epstein, but they apparently have useful information and also may have been victims of coercive sexual encounters with Epstein and/or his associates. Any days or times this week you would *not* be available for that?

Separately, there have now been two stories in the Times where a publicist, [REDACTED], has been referenced as having recently been told by Epstein about Epstein's prior conduct. Can we please try to contact him? Can issue him a subpoena, attached, if he doesn't want to be interviewed informally.

(Here's the latest reference to him: "Just three months ago, as federal prosecutors were closing in with new charges, Mr. Epstein had a conversation with [REDACTED], a publicist, about continuing to improve his reputation. Mr. Epstein asserted that what he was convicted of did not constitute pedophilia, said [REDACTED], who declined to represent him. The girls he had sex with were "tweens and teens," Mr. Epstein told him.")

thanks,

[REDACTED].
