Hey man sorry not the late reply, we've been traveling a lot for that Epstein case. I'm back and will be there today. Just want to make sure, we should be in suits correct? I will put one on I just want to make sure so I don't look like an idiot if I've missed something.

Thanks,

Folks,

Thanks again. We'll be seeing you all this Monday (to the extent we don't already see you anyway!) and the interns are looking forward to not hearing from lawyers for once.

We'll aim to start at 12:30 in the 2nd Fl. Library. I'd estimate ~30 minutes per presentation, but we'll let it flow. Thanks again and everybody enjoy their weekend.

Yer pal,

Thank you all so much for agreeing to present your career paths and great work, both at large and with our office, to the criminal division summer interns. You guys and the work you do is the real reason the interns spend their summer with us nerds so we know you'll tear it up.

We had discussed June dates with you all, but it's looking a little dicey. We were wondering how a day the week of July 15 would work? If that week wouldn't work for any of you, could you please let us know? Otherwise, will pick a day and send a calendar invite.

If that doesn't work, we'd be looking at the week of June 17.

Again, much obliged.

- Hellman
