Hey [REDACTED],

I copied everything over last week. Mandy was going to coordinate with you on getting the drive back to you.

Hi [REDACTED],

I hope you're doing well! I'm circling back to confirm that you received the hard drive from our office that we gave to Mandy. Do you have an estimate on the progress of loading this drive? Thanks so much!

Will do, thanks. What is the exact size of the materials, so I know the drive size to request from our IT folks?

If you could have someone drop it off that would be great. I'll find someone here to coordinate with in the event I've left.

Sounds great, [REDACTED]. I'm looping in [REDACTED] [REDACTED] who has kindly offered to help coordinate getting a drive from our IT folks today. Would you or someone from your office be able to meet to pick up the drive once it's ready today, or should we have someone from our office drop it off? Thanks so much.

Yeah that works much better. If someone could swing by today or tomorrow I can put in on the drive and give it back. I have to head out of state later this afternoon for a trial, but will be back in the office Thursday.

Hey [REDACTED] – since the materials are so large (200GB), would you prefer a drive? We could source one from our IT folks today / tomorrow, and you can upload the materials to it on your end. Let me know what you prefer. Thanks so much!

Hey [REDACTED],

Let me know where the folder is and I can start uploading the data. It is over 200GB so it will take a while.....

Thanks [REDACTED], I'm happy to handle this – [REDACTED], do you have a folder already set up within USAfx, or do you prefer that I create one for you to upload the materials? Feel free to coordinate with me outside of this email chain, so we don't bog down everyone's inbox. Thanks so much!

Hi team,

[REDACTED] [REDACTED] from the FBI (cc'd) has a new file for the Maxwell case that he needs to send to us. Would one of you please coordinate with him to get it via USAfx, then let me know when we have it?

Thanks so much,
