Thanks [REDACTED], I'm happy to handle this – [REDACTED], do you have a folder already set up within USAfx, or do you prefer that I create one for you to upload the materials? Feel free to coordinate with me outside of this email chain, so we don't bog down everyone's inbox. Thanks so much!

Hi team,

[REDACTED] from the FBI (cc'd) has a new file for the Maxwell case that he needs to send to us. Would one of you please coordinate with him to get it via USAfx, then let me know when we have it?

Thanks so much,
