[REDACTED],

Ops plan for the arrest tomorrow is in high side, attaching a PDF here so you can glance over if needed.

Re: Epstein redactions;

C-13 has 1 agent already in DC and 1 agent taking LSA tomorrow.

All other C-13 agents are on the arrest for tomorrow which is necessary because we will have to conduct surveillance on 3 locations simultaneously. We have no agents available for the over night tonight.

Thanks,

Jim
