Hi [REDACTED] – hope all is well – re the below, our Brit liaison partners at the Met would like to have a VTC to discuss some UK references in the Maxwell case and names that have come up over there. Would you and the team be available possibly early morning (8:30 or 9am) either this Thursday or Friday?

Thanks –

Dear [REDACTED],

Hope all well with you and nice to meet you virtually.

I spoke to Dave Mackey at the US Embassy in London this evening (who I know from my time in CT). Dave is willing to host us at the US embassy so that we can connect with you via secure VTC, if you are comfortable with that?

Essentially I wanted to catch up in relation to UK references and discuss some names that have come to light over here.

If you are ok with this, would you mind linking in with Dave who will then be able to book a time convenient time for you? It would be really helpful if we could do it this week if possible? I would be looking to bring a couple from my team.

Look forward to speaking.
