Yes, would basically be similar to the one yesterday. Only a little more like a reporter interview - and less like a guy who was just very excited to be talking with an FBI agent. :)

I'm free all week except Friday Feb 11. Would the overview be specific to C20 and HT?

Hi [REDACTED] - a new reporter with the NYT is asking to do an interview on our HT Task Force. She was hoping to base it on the Maxwell trial, however I told her that's not something we would discuss with her. She said she would still like to do an overview of the program, etc. Thoughts? She's asking for the week of Feb. 7th, Seamus if you're available.

Thanks!
