The full story referenced in the attached is 4-5 parts. I'm sure there will be more stories to come.

Thanks, Terri.

Btw - I received a request to be interviewed yesterday from the Herald, I believe for a second story regarding the same, which I respectfully declined.

This case doesn't seem to go away. Thought you both might find this article interesting...and vindicating.

Dear Terri,

I read the attached awful story on Jeffrey Epstein from the Miami Herald. Given your years of work on related topics, I wanted to send it to you, just in case that you have not seen it.

Congratulations again on your new responsibilities and best wishes to you and your family for a healthy and happy holiday season.

Warmly,

Robert
