Great investigative journalism and persistent attorneys pursuing the truth! The lack of federal prosecution and undue influence was and remains disgusting!

This case doesn't seem to go away. Thought you both might find this article interesting...and vindicating.

Dear [REDACTED],

I read the attached awful story on Jeffrey Epstein from the Miami Herald. Given your years of work on related topics, I wanted to send it to you, just in case that you have not seen it.

Congratulations again on your new responsibilities and best wishes to you and your family for a healthy and happy holiday season.

Warmly,

Robert
