For the WSAR:

The trial for Tova Noel and Michael Thomas (Case 1:19-cr-00830-AT USA v. Noel et al) that was scheduled to commence on June 22, 2020, is adjourned to January 4, 2021. It was ordered that the time between June 22, 2020 and January 4, 2021 is excluded under the Speedy Trial Act, 18 U.S.C. § 3161(h)(7)(A), in the interests of justice. The Court found that the ends of justice served by granting the exclusion outweigh the best interests of the public and Defendants in a speedy trial, because such an extension is necessary to efficiently administer the Court's docket consistent with public safety, and because it will allow the parties to prepare for trial and because it will allow the parties to prepare for trial and to discuss potential pretrial disposition. It was further ordered that the parties will appear for a status conference on September 9, 2020, at 1:00 p.m., in Courtroom 15D of the United States Courthouse, 500 Pearl Street, New York, New York.

Thanks!

Good morning all,

Please remember to send me your WebTA hours and appropriate codes if you are unable to validate yourselves or if you have not done so already. They are due today. I will be in the office until around 12pm today, so any time before then would be wonderful!

Also, please send me anything for the WSAR to my greenside email by tonight.

Thank you so much.

Best,
