This email was sent from an external (non-PBSO) source.

See below. Just need a quick check before I send minions out to make contact.
Thanks

Hi [REDACTED]

Thank you for helping with this. We interviewed both [REDACTED] and [REDACTED] in July after Epstein's arrest. He was very open to meeting with us again in the future. We have reached out to the cell we had for him, which is listed below.

We would like to re-engage with him to interview him next Wednesday if he is available. It would be the same team coming down to talk with him as before. His identifiers are below

[REDACTED]
Mobile [REDACTED] (last known)
[REDACTED]
Boynton Beach, FL 33472

If someone is able to confirm he lives at that address and/or make contact with him to get a good number and let him know we'd like to speak to him again, that would be helpful.

Thanks again,
[REDACTED]
