Thank you and [REDACTED] for helping us sort out that 188B file issue.
I was wondering if you could help me with one more thing.

I am trying to locate FBI 302s for two victim interviews.

We believe these individuals were interviewed on 2/1/08, but there are no 302s or 1a notes for that date in the file.
If I give you the names of the two individuals, could you check to see if any reports exist that might have been misplaced?

Thank you,

Did you have any luck finding this file (188B-MM-105207-C)?
We are planning to conduct some interviews this week and it would be very helpful for us to review the file prior to the interviews if possible.
Thank you,

SSA [REDACTED] directed me to you.

OPR is investigating allegations of professional misconduct concerning the conduct of the attorneys in the Epstein investigation.

SSA [REDACTED] helped us locate the FBI's Epstein files when OPR was on site last year.

We currently have an electronic copy of the entire file 31E-MM-108062 and the accompanying 1A file. I am hoping you might be able to help us locate one additional file.

FBI Serial #10 in 31E-MM-108062 refers to another file number ("188B-MM-105207-C").

Can you help us locate that file?

Thank you,
