Subject: Urgent inquiry from [REDACTED]

Hi everyone – I just got an urgent call from [REDACTED], who is currently in trial in the [REDACTED] v. Ghislaine Maxwell case. Apparently the judge is threatening to exclude from evidence copies of photographs that [REDACTED] and [REDACTED] collected from [REDACTED] in Australia. [REDACTED] provided the originals to [REDACTED] and [REDACTED] and she was given a copy. The 302 says that the photographs were placed in the 1A in File # 31E-MM-108062 (this appears at the bottom of the 302).

Can you see whether you still have the original photographs? Once we know that, then [REDACTED] will have to go through the protocol to subpoena one of the agents, right?

Thank you.
