Good Afternoon,

Due to the low number of individuals who have sent a response in the affirmative, we will only need the following individuals to assist:

Cinthia Sosa (MM)
Pam Washington (MM)
Dahlia Williams (MM)
Angela Jackson (NY)

Thank you for volunteering to assist. It means so much to know that you are willing to continue to support this case.

Stay safe,
Amanda

Hello VSs,

I hope you are all doing well and staying safe in these uncertain times. I am reaching out to you to find out your availability to assist in a briefing on Thursday, November 12 in the Miami Field Office. The Deputy Director has approved VSD to assist and support ODAG's briefing regarding the results of an OPR investigation in the original Epstein case. You are being canvassed because you assisted in one of the Epstein briefings last fall.

I do not yet know the number of victims who will attend. I do know that safety precautions will be in place regarding COVID-19. Please respond back to me ASAP to let me know if you are available and willing to assist in this endeavor.

Thank you,

Amanda Allen
