Hi [REDACTED],

Thursday, 11/5/2020 at 11 am seems to be our best option right now. Please let me know if that works so that I can set up a calendar invitation.

If this time doesn't, please include times/dates that you are available next week and iron out a meeting date that works for all.

Thank you.

I would like to have a call/meeting with the Victim Specialists late next week or early the following week, in advance of the DDs visit. Please get together and provide me with a few potential dates/times.

Thanks and have a good weekend.

Good night all:

Just wanted to give you guys a heads up. [REDACTED] and EAD Terry [REDACTED] will be here either October 22nd or November 5th to meet with victims from the Jeffery Epstein case. There are about 90 victims and 12 attorneys representing them. However, there is no word yet regarding how many will actually come on the date chosen. Everything is really fluid right now, but as I get more information I will let you guys know.

In the meantime, please hold those dates.

Thanks,
