### **Continued Reporting: AG Bondi Says 'Truckload of Evidence' Related to Epstein Case Has Been Delivered to FBI Headquarters**

The [New York Post](#) (03/04, Nava) reported that Attorney General Pam Bondi has received a large amount of evidence related to the Jeffrey Epstein case, which has been delivered to FBI headquarters. “I have the FBI going through them,” AG Bondi said, adding that Director Patel “is going to get us a detailed report as to why” the documents had been withheld. “We’re going to go through it, go through it as fast as we can, but go through it very cautiously to protect all the victims of Epstein because there are a lot of victims,” she said. AG Bondi reiterated that a “team” assembled by Director Patel is going to look over the documents “as fast” as possible so “we can get it out to the American people, because the American people have a right to know.” Additional reporting on the story was provided by [ABC News](#) (03/04, Steakin, Faulders, Mallin), [Daily Mail](#) (03/04, Chain), [Daily Wire](#) (03/04, Schow), [The Epoch Times](#) (03/04, Stieber), and [SAN](#) (03/04, Nigrelli).
