Sir,

On 21 May 2025, NY SA [REDACTED] and NY SSA [REDACTED] provided WFO SSA [REDACTED] the video channel number to include "20190805" after the channel number and the email goes on to request 20190810 for the specific time frame. According to SSA [REDACTED] the specific file name did not exist on the 1B53.

On 21 May 2025, OTD Video Specialist was requested to assist with enhancing the video of the last time Epstein is seen on video from NY ASAC [REDACTED]. OTD Video Specialist was further requested to assist with merging the two videos.

Please advise if you should need further information.
