Subject: JE computer sitrep, 9/16/2025

ASAC [REDACTED],

The device review is complete. The device review indicates the device was primarily used by Epstein's house staff for house related taskings with some limited use for personal matters related to the Toylo family. **Nothing of investigative value was observed.**

Computer sitrep: **Review Completed**

On 9/16/2025 IA [REDACTED] [REDACTED] completed the review of the device.

- Communications – 10,317
  - Mainly spoke conversations in Filipino about family matters (based on photos), and contractors doing work on the property.
  - Conversations with [REDACTED] discussing things being shipped/delivered to Palm Beach, pickup up food/items, getting prescription to JE (cold meds), picking them up from errands, and coordinating everyone going to airports.
- Refined Results – 31,661
  - Most results are carved with limited data and no dates
  - Search sites – Amazon, Facebook Meetup (dating site), Backpage - (primarily men seeking men, transgender, therapeutic massage).
  - Porn sites – numerous sites all known for adult porn and are responsive to requests to remove CSAM.
  - Good searches – related to Epstein's arrest/suicide and who was at the residence, information about the Philippines, New York (Toylo has extended family in New York), [REDACTED] and [REDACTED], FedEx and Youtube.
- Web Related – 130,396
  - Nothing of investigation importance (similar results to refined search, most things carved with no useable information)
