Boss,

Sorry I was not at your ASAC meeting this morning as the Acting for ASAC [REDACTED]. I was unaware of the meeting otherwise I would have been there. [REDACTED] and myself are on a conference call with HQ at 10:45am regarding the Epstein Death Investigation. I inquired if you should be on the call and they said it was for ASAC's and below with the substantive HQ desks. I will let you know if anything of significance comes out of that meeting.
