Good evening [REDACTED],

As requested I am providing the name and contact numbers for the main case agents, supervisor and A/SAC.

I would like to reiterate our offer to be available to DOJ in person to brief and answer any questions they may have on the Epstein investigation. The team is available to be in DC by tomorrow afternoon and brief late tomorrow or early Friday morning.

I also kindly request if DOJ prefers a call, we convene a teams call where we can all participate.

I am available anytime time to speak with you and provide any information.

Thank you
