---

Officer [REDACTED]

I appreciate the time you took to speak with me yesterday. I have sleep issues which have increased since speaking of this to authorities, so please excuse my errors:

1. There was an error in my last email. The tunnel off roadway 84 is on the left side of the road 84 not rightside as I stated in the earlier email. The large turnout is nearby tunnel entrance and is also on the leftsideof 84. The tunnel is hiding in plain site.
2. After speaking with you one thing I said bothers me, so for clarification I was NOT a prostitute before meeting Mike Levine it was he who forced me into it, by threatenine the life of my neice [REDACTED]. If I had been in prostitution he would have never had to do this. I did what he asked or forced me to do. I told him it hurt, but he didnt care. He had a mission and he accepted what he did to me as collateral damage.  
I understand I was an adult then, but wanted you to know that Ghislaine was precurring young girls before 1994. To me she was the mastermind behind the scheme.  
Mike Levine did send me to the Maxim Hotel to Ghislaine Maxwell, Jeffrey Epstein and the model agency guy. While there Ghislaine was trying to recruit me to get girls. I told her I was abused/groomed when in elementary school. She said, " the younger the better." I could not get out of that room and away from those people fast enough.

Prior to meeting M. Levine I was working in [REDACTED]. I had been dating the owners son for the previous year while working at [REDACTED]. After, I stopped seeing [REDACTED] my girlfriends and I would go out to a bar on our days off. Sometimes we would meet guys, have dinner gamble and go home seperately. I was NOT getting paid for sex. I was 21 years old naive and was submissive towards men.  
M. Levine introducing me to Maxwell/Epstein was around the same time of the pictures I sent you and him taking me to the tunnel. I feel it was all done to terrify me into submission.

I appreciate you and others allowing me to purge what has been tormenting my life for nearly 40 years.

I hope it helps you knowing she was doing these terrible things in the early 80's.

Sincerely and with respect,

[REDACTED]  
PS. I w'll not bother you with more emails. Thank you for all that you do to help us!
