Hi Detective [REDACTED],

I was referred to you by [REDACTED] a Twitter (Now the new X) friend. I have a short report to submit that concerns the FBI and The American People as well as the U.S. Government. There are several issues that affect our country and of which, I would like to bring to your and the Bureau's attention.

Namely;

[REDACTED] (Jeffrey Epstein Individual, currently suing the FBI for \$600 million), Joseph Tacopina, esq (NYC) - President Trump's current attorney, Dr. Jurgen Todenhofer (Germany/Afghanistan), Michael Jackson (Music Artist and associates), The "Q" Effect.

[REDACTED] informed me that you work out of the NY Office. My wife [REDACTED], an Epstein Victim, has worked with the Southern District FBI so I am familiar with the NY Office and they have also been to our home.

I have an attorney to handle this matter and to fully work with the FBI while being on a budget. I have a significant amount of information in digital format to provide to the FBI. You can contact me first at [REDACTED] [REDACTED] at any time or this email for initial discussions.

My attorney's is:

Jennifer Beidel

fmr U.S. Asst Attorney Southern District of NY

Law firm: Dykema
