10-4. He told me it was happening but I hadn't heard the readout.

[REDACTED],
I just spoke with SDNY Chief [REDACTED] who informed me the meeting between Epstein's co-conspirator [REDACTED] attorneys and Geoff Berman was largely unproductive. The meeting concluded with the agreement that [REDACTED] attorneys would send a written submission to SDNY regarding their position. Once received, we agreed to have a meeting to cement our agencies' position moving forward.

[REDACTED]

Acting Assistant Special Agent in Charge
