Thanks for copying me. [REDACTED] responded to a similar inquiry from him earlier this morning and told him the same re: current case. I will give him a call to close the loop.

Perry,

Thanks for the e-mail. I hope you're well. I saw a couple of the pieces, and thought you all did a great job exposing the issue to a broader audience. As you can imagine, I won't be able to discuss the current case even on background right now. I've cc'd [REDACTED] who may be able to give better guidance if possible, or depending on what has been filed address particular questions. Thanks for understanding.

Regards,

Director [REDACTED]

Long time... I hope all is well. If I haven't already thanked you for the interview and access you granted us a few months back, allow me to do so now. We got a very positive reaction from our coverage of human trafficking. I do have, however, other reasons for reaching out. It's in regards to Jefferey Epstein's arrest on Saturday and was hoping that you may be able to share some information ON BACKGROUND such as detail on how the arrest played. I also hear more charges may be coming down the pike.

Regards,

Perry
