██████████ and ██████████

Just sending a quick note on the interview of the MCC Warden.

The Warden of the MCC, ██████████ was interviewed at the offices of the SDNY with no representation from an attorney or the union. The interview was audio recorded and will be transcribed by NY OIG. A report of the transcription will be provided to the FBI.

██████████ was courteous and forthcoming. He advised that he was on leave at the time of Epstein's death, but was notified by his acting Warden and responded to the MCC immediately. ██████████ provided a summary of the protocols within MCC/BOP that are in place for such an incident, and described how he followed though protocols.

Generally, ██████████ interview consisted of the discussion of procedural matters. There was nothing of significance with regard to evidentiary items pertaining to the death investigation that was gleaned from this interview.

V/r,

██████████
