Thanks [REDACTED] for all you are doing too. This is important stuff.

Thank you [REDACTED]. I appreciate all you are doing. Thank you. Hello [REDACTED].
yes this may take some work for my comfort level as sadly I don't feel comfortable speaking too much
beyond introductions on the phone. I welcome the introductory phone call [REDACTED].
Thank you

I received your e-mail. Thank you for responding back. I have copied Special Agent-in-Charge [REDACTED]
[REDACTED]. Her team is handling the Epstein investigation. One of the agents or detectives assigned to the
Taskforce will reach out to you. Initially that may be via phone as we rarely utilize zoom for security
purposes, but we will work with you to ensure your comfort level. If appropriate, we may request an in-
person interview with agents closer to your location provided you are comfortable given social distancing
requirements.

I will not send a response via LinkedIn for security and legal reasons. I hope you understand. Thank you so much for proactively reaching out to us.

Subject: Information from [REDACTED]

Dear [REDACTED]

Thank you for your prompt response. I am on West Coast time. Yes , I have information that may be (or not) potentially be helpful (and be a link or help connect dots) due to a rape I experienced 20 years ago. I am currently waiting Scotland Yard to find me the notes from over 20 years ag so I may finally seek justice and recompense of which I have been told I am very much deserving. I tried to get justice over 20 years ago but the climate wasn't conducive .

I had a bad experience online recently so now I like to know who I am speaking with so I prefer a Zoom rather than phone call. If possible. My zoom email is [REDACTED]

Please may your person be very experienced.. like the rest of this matter - this is very high profile and very powerful and at the end of the day I was raped .

I have lived under provable online threat for over 20 years. Much diminished now.

Thank you
