Thanks for the note Nick. The whole thing obviously strikes a chord. The entire investigation (or lack thereof previously) is beyond angering. It took a tremendous amount of courage for these women to stand up, and I hope they understand we aren't done. Hopefully their example does have a positive impact and a chance of changing the narrative in other unrelated cases, especially when they see the right way to conduct an investigation as it is being done by our offices up here. It is a privilege to stand with your team to do everything we can.

Thanks again. See you soon.

Regards,

[REDACTED],

I just wanted to drop a note to tell you how great I thought your words to the victims were today. Tough situation for all, but it clearly meant a lot to them to have someone speak in such honest, thoughtful language – a few of them even it mentioned as they walked out.

Anyway, always here if you need any help.

- Nick
