Hi [REDACTED] - see below quote.

Thanks -

"Safety protocols are in place to protect the inmates being housed in the MCC, as well as the guards and other employees. These guards were aware of the rules, but allegedly falsified records to avoid being held accountable for skirting the regulations. We are all held to a higher standard when we work for the Department of Justice based on the nature of our charge, to serve and protect the public, which includes the subjects of criminal investigations."
