Transitory

Good afternoon,

We have received several requests on the subject of Jeffrey Epstein's "birthday book" that was said to be compiled by Ghislaine Maxwell for his 50<sup>th</sup> birthday celebration. Upon reviewing the files on Epstein, 50D-NY-3027571 and 90A-NY-3151227, we were unable to locate the book or birthday letters. We need to confirm whether the FBI has a copy of the birthday book/cards and whether it's within the investigative file. I have attached said requests for your records. If you have any questions please don't hesitate to reach out.

Thanks,
