TRANSITORY RECORD

Good morning SA [REDACTED],

I received your answers to the pending questions regarding 50-NY-3027571 in Sentinel. (190-HQ-A3499331-Restricted Serial 1914) Due to your response, I wanted to see if you are still ok with going the b7A route for the Epstein Investigation?

I have attached the b7a to this email.

Thank you,
