Hey All,

I mentioned to you both that I was writing an IN based on the Nygard and Epstein case. Whenever you have a minute I would love for you to review my initial draft (no rush). There is still more work to be put in so y'all don't need to like edit for grammar and what not. I more so wanted to see if the overall content is there and if the direction I took makes sense. I am total open to your ideas if you think there is something different I could have done.

Thank so much!
