Source Reporting:

An established source who is considered highly reliable and is responsive to tasking with both direct and indirect access, much of whose reporting has been corroborated and validated over the past eighteen years provided the following information:

A channel CHS describes as a "hate-crime related" telegram channel called the "Alt-Right Shitlords" (t.me/WhiteIsRight) posted "the Unredacted little black book" of Jeffrey Epstein.

CHS describes it as a 95 page photocopy of what "may actually be his little black book." CHS observed that the book did have several notes that make it look like this was an investigator's copy, such as names that are circled with the word "Witness" hand-written next to them, or two hand-written pages at the end of the document that include things like "*** - Jean-Luc Brunel "Scout" for young females" and "Secret Service Personnel escorting Mr. Berak, Ehud Former P.M. of Israel on J. Epstein planes" or "[REDACTED] Palm Beach (2004-2005) witness, interacted and chat daily w/underage girls.'

According to CHS pages 93 and 94 have 35 female first name-only individuals listed under "Visitors Massage (P.B)" (Palm Beach maybe?) that are in the hand writing that i'm going to call "the investigator's"

CHS provided a copy of the book (see attached). CHS's concern was there appear to be a number of personal telephone numbers in it, including what seem to be cell phone numbers for members of the Trump family. CHS advised that three numbers listed for Ivana and two for Ivanka on p. 54 of 95.

CHS opined that spammers / blackmailers / journalists could have a "heyday" with this information.
