TRANSITORY RECORD

Hi [REDACTED],

Attached is the form we spoke about. Can you please fill it out one each for victim [REDACTED] (Epstein case) and [REDACTED]? It's not fillable so I couldn't prefill for you. Can you also just print my name on the bottom as the victim specialist as well?

When completed can you please scan and email them to me. Not to be a pain but can you put them in separate emails as I will be out and will not have access to unet and will have to send the forms via my phone.

Thank you so much for the help.
