[REDACTED] thanks so much for the email. I hear great things about your work, and am so glad you are doing well. I'm anxious to hear about your move to WPB.

I was hoping to stop in and see you briefly about the case. I promise to try to not waste your time. There may be a couple of things that I think will be important to you as you conduct your inquiry. Maybe 15 or 20 minutes if you could spare it in the next few weeks.

I'm not sure if there is a "lead" in that there are a number of attorneys involved. Feel free to call me on anything however. I try to communicate with the other attorneys regularly.

Again, thanks for your time. And good luck with your trial.

Guy

Hi Guy -- It was very nice to hear from you. I am starting trial next week, so I will be difficult to catch for the next three weeks or so. Regarding Mr. Epstein, there isn't much to tell. The investigation is continuing. As I told Mr. Lefcourt, Mr. Epstein is a target of the investigation. If anything more develops, I will let you know.

Can you confirm whether you are the "lead" attorney for Mr. Epstein? In other words, should I contact you first or Mr. Lefcourt?

Thank you.
