Hi guys - I am still wading through these FedEx records. There are a lot of shipments from "The Art of Women" in Haleiwa, Hawaii. I was able to access their MySpace page and he claims to be a photographer for "aspiring models." He invites aspiring models to visit his website, www.artofwomen.com <<http://www.artofwomen.com>>, but I cannot access it because DOJ blocks me. Can you try?

Also, someone from JE's office sent a package to Chiko D.N. Hoge, U.S. Secret Service, in Honolulu. It looks like it was around the time that JE took Clinton to Africa.

Dave Rogers also sent a package to "Inspector Lewis, U.S. Customs Service, [REDACTED]"

There were a lot of packages to Karin Models/MC-squared.

[REDACTED] name appears as the person sending the packages a lot, do we know if she still works for JE? What about [REDACTED]?

Any word from FBI New York?

Thanks.
