Hi Bob – Before you go out carousing over the end of EARS week, any news? I leave on vacation tomorrow but I went and got myself a Blackberry so you can get me via e-mail. Karen Atkinson has been suffering through this with me, so you can also contact her with news/questions/etc.

Update following my call today to Drew. I'm thinking of calling Sigal tomorrow Jeff just to get it from her directly. Again, whatever the outcome is we need to have some decision.

Bob,

I got your message. According to DAAG Sigal Mandelker, Alice promised to get our letter on the Epstein matter out the door this week. Apparently she's reviewing all the material presented by the defense as well as what we've given her.

I regret the delay.

Drew

Hi Bob – Since we didn't get to talk in person, I am bothering you via e-mail. We have a new development that I want to talk to you about. I am just about to start a conference call, but I will give you a ring around 3:45 or so. Hopefully by then you will have heard from DC???

Thank you.
