Hi karen. Lucky you. You get to be the contact person re epstein while I am gone. I just talked to jeff and bob. They are getting ready to send out the letter to lefkowitz regarding the plea deal. The letter tells epstein's people to communicate only with you and me. I asked jeff to call [REDACTED] and tell her what is going on. So she can lose her mind with him. I am sure that you enjoyed reading lefkowitz's email where he refers to our last call with him and starr as alex shunting them off to members of alex's staff. Lovely

Very well. She understood that some view the Agreement as still in play since we've allowed them to contest various issues. As a result, we decided to give them a reasonable period of time (two weeks) to comply. I explained that I would keep her apprised of any further developments and in the meantime she should plan for June 3rd.
