Your messages

Bear, Stearns Securities Corp, Net Capital and Net Capital Requirements:

At May 31, 2002 and July 31, 2002, the Company's net capital of approximately \$2.5 billion and \$2.0 billion was approximately 7% and 6% of aggregate debit items and exceeded the minimum regulatory net capital requirement of approximately \$679.9 million and \$644.8 million by approximately \$1.8 billion and \$1.3 billion, all respectively.

A complete copy of the Bear, Stearns Securities Corp. Statement of Financial Condition is available on the web site www.bearstearns.com. Alternatively, to request a free printed copy please call -toll free 1-866-299-9331.

Securities and other assets in your account are the firm's collateral for any margin loan made to you. If the securities and other assets in your account decline in value, so does the value of the collateral supporting your loan, and, as a result, the firm can take action, such as issue a margin call and/or sell securities or other assets in any of your accounts held with the member, in order to maintain the required equity in the account. It is important that you fully understand the risks involved in trading securities on margin. These risks include the following:

- > You can lose more funds than you deposit in the margin account.
- > The firm can force the sale of securities or other assets in your account(s).
- > The firm can sell your securities or other assets without contacting you.
- > You are not entitled to choose which securities or other assets in your account(s) are liquidated or sold to meet a margin call.
- > The firm can increase its "house" maintenance margin requirements at any time and is not required to provide you advance written notice.
- > You are not entitled to an extension of time on a margin call.

This statement is provided to explain Bear, Stearns & Co. Inc.'s ("BSC") payment for order flow practices.

BSC routes a majority of orders for customer securities transactions to the primary market for such securities. Orders may also be routed to other market service vendors that assure executions pursuant to complex mathematical formulas at better than the national best bid or best offer (NBBO). BSC receives no cash payment or other consideration for such order routing other than favorable executions or executions of limit orders at no additional charge.

Pursuant to SEC Rule 11Ac1-6, please note the following:

Bear, Stearns & Co, Inc, will post its quarterly routing statistics at the following web link:
<http://www.bearstearns.com/bearstearns/individualinvestor/equitiesorderroutingpractices.htm>

Customers of Bear, Stearns & Co, Inc, may request information on any order executed within the prior six months from the time of the request. Specifically, you may request the identity of the venue to which the identified orders were routed for execution, whether the order was directed by you to that venue, and the time of the executions, if any, that resulted from such orders,

The following account service fees will be charged to applicable accounts as of November 1, 2002:

The service charge per transaction will be \$5.00. Accounts transferred from Bear Stearns will be charged a \$75.00 account transfer fee. There will be a \$50.00 fee for each stock certificate that is sent out in registered form at the customer's request. We strongly recommend against holding stock certificates in physical form due to the possibility of theft, loss or damage.

NOTICE OF CHANGE PURSUANT TO THE TRUTH IN LENDING SEC RULE 10b-16

Effective as of November 15, 2002, the annual rate of interest charged on any credit extended to you by Bear Stearns Securities for the purpose of purchasing, carrying or trading in any security or other property shall be based on either the Bear Stearns Margin Basis Rate, the Bear Stearns Securities Fed Funds Rate or the London Interbank Offering Rate ("LIBOR"). The Bear Stearns Margin Basis Rate will be quoted daily by Bear Stearns at our main office in New York. Factors affecting the determination of the Bear Stearns Margin Basis Rate will include the short-term market interest rates quoted by money center banks and the Federal Reserve and the rate that Bear Stearns is charged for borrowing money. The Bear Stearns Securities Fed Funds Rate is the rate for U.S. dollar funds, as quoted by an independent broker of such funds selected by Bear Stearns Securities for the last transaction completed prior to 9:30 a.m. (Eastern Time) on the business day on which such rate is determined. The annual rate of interest will be no more than 3% above the Bear Stearns Margin Basis Rate or 4% above either the Bear Stearns Securities Fed Funds Rate or LIBOR and will appear on your monthly statements. Since the rate of interest charged is related to the Bear Stearns Margin Basis Rate, the Bear Stearns Securities Fed Funds Rate or LIBOR, any changes in these rates will cause corresponding changes in the rate charged to your account, which changes will be made without prior notice to you. If for any other reason Bear Stearns Securities changes the rate of interest it charges you, we will give you at least 30 days prior notice.

The "Statement of Interest Charges Pursuant to the "Truth-in-Lending" SEC Rule 10b-16" previously provided to you remains in effect except to the extent specifically amended by this notice.
