As part of the National Association of Securities Dealer's (NASD) Investor Education Program, you may obtain information on the NASD's Public Disclosure Program by contacting the NASD at telephone number (800) 289-9999 or via the internet address which is www.nasdr.com. In addition, a brochure explaining the Public Disclosure Program is available from the NASD upon request.

Excess SIPC Account Protection Update
 Bear, Stearns Securities Corp. ("BSSC"), a member of the Securities Investor Protection Corporation ("SIPC"), provides account protection for the net equity of a customer's funds and securities positions. SIPC provides \$500,000 of primary net equity protection, including \$100,000 for claims for cash ("SIPC Coverage"). Visit www.sipc.org for more information about SIPC Coverage. BSSC provides the additional protection ("Excess SIPC") through a commercial insurer. Effective February 16, 2004, the commercial insurer for Excess SIPC will change to Customer Asset Protection Company ("CAPCO"), a licensed New York insurance company. Account protection applies when a SIPC member firm fails financially and is unable to meet its obligations to its securities customers, but does not apply to losses from the rise or fall in the market value of investments or to SIPC ineligible assets such as options, futures, foreign exchange transactions, or any investment contracts that are not registered as securities.

Bear, Stearns Securities Corp. Net Capital and Net Capital Requirements:

At May 31, 2003 and July 31, 2003, the Company's net capital of approximately \$2.4 billion and \$3.0 billion was approximately 6% and 7% of aggregate debit items and exceeded the minimum regulatory net capital requirement of approximately \$799.5 million and \$904.4 million by approximately \$1.6 billion and \$2.1 billion, all respectively.

A complete copy of the Bear, Stearns Securities Corp. Statement of Financial Condition is available on the web site www.bearstearns.com. Alternatively, to request a free printed copy please call - toll free 1-866-299-9331.

Securities and other assets in your account are the firm's collateral for any margin loan made to you. If the securities and other assets in your account decline in value, so does the value of the collateral supporting your loan, and, as a result, the firm can take action, such as issue a margin call and/or sell securities or other assets in any of your accounts held with the member, in order to maintain the required equity in the account. It is important that you fully understand the risks involved in trading securities on margin. These risks include the following:

- * You can lose more funds than you deposit in the margin account.
- * The firm can force the sale of securities or other assets in your account(s).
- * The firm can sell your securities or other assets without contacting you.
- * You are not entitled to choose which securities or other assets in your account(s) are liquidated or sold to meet a margin call.
- * The firm can increase its "house" maintenance margin requirements at any time and is not required to provide you advance written notice.
- * You are not entitled to an extension of time on a margin call.

LAST STATEMENT August 29, 2003

This statement is provided to explain Bear, Stearns & Co, Inc.'s ("BSC") payment for order flow practices. BSC routes a majority of orders for customer securities transactions to the primary market for such securities. Orders may also be routed to other market service vendors that assure executions pursuant to complex mathematical formulas at better than the national best bid or best offer (NBBO). BSC receives no cash payment or other consideration for such order routing other than favorable executions or executions of limit orders at no additional charge.

Pursuant to SEC Rule 11Ac1-6, please note the following:

Bear, Stearns & Co, Inc, will post its quarterly routing statistics at the following web link: <http://www.bearstearns.com/>, Click on Individual Investor, Click on Equities, Click on Order Routing Practices.

Customers of Bear, Stearns & Co, Inc, may request information on any order executed within the prior six months from the time of the request. Specifically, you may request the identity of the venue to which the identified orders were routed for execution, whether the order was directed by you to that venue, and the time of the executions, if any, that resulted from such orders.

Your messages

With interest rates at their lowest in 45 years, income oriented clients are reminded of the risks inherent in attempting to maintain or increase the average yield on a fixed income portfolio. Generally, securities carrying a higher yield come with some combination of added credit risk, extended maturities, reduced liquidity, or special call features. Rising interest rates can cause a decline in the market value of your portfolio, which will impact your principal if securities are sold prior to maturity. Please consult your Bear Stearns account executive if you would like to discuss your fixed income portfolio. As a leader in Fixed Income, Bear Stearns can analyze any portfolio, held here or elsewhere and make recommendations such that your portfolio is aligned within your tolerance for risk.
