International Roaming and Dialing Rates Changing

Effective October 5, 2005, Cingular is modifying its standard pay-per-use international roaming and international long distance rates. In addition, a surcharge imposed by overseas carriers will apply for calls dialed from the U.S. that terminate to a mobile phone in certain countries. For details, including the new rates for each country, visit www.cingular.com/cingularworld/newrates. Discounted rates for customers with the Cingular World Basics or Cingular World Basics + Western Europe features will not change.
