Hi [REDACTED] -- I got a little side-tracked with the Judge Zloch thing, but I am going to try to spend all day today and tomorrow on the Epstein pros memo. In the meantime, [REDACTED] is making you a copy of the stuff that [REDACTED] sent and a copy of the final Palm Beach police report. That doesn't include the interviews conducted by FBI, but it gives a good overview. [REDACTED] from FBI would like to attend the meeting. Let me know if you have any objection to that. Maybe [REDACTED] can come over at 1:00 on Thursday so we can do a "pre-meeting meeting"

Can I get a draft pros memo and anything else you think I should read before our meeting?
