Subject: Contact with █████████

Date: Mon, 06 Aug 2007 15:19:50 +0000

Importance: Normal

Hi ██████ and ██████ – I need to check on whether ███ sent something out before he left. ███ doesn't know if it went out, and he suggested that I try ███ on his cell. I call the cell number on the roster, but it seems to be disconnected. Do you have a contact number for him?

Thanks.

████████
